INTERVIEW SUMMARY

Applicants would like to thank the Examiner for taking the time to conduct a telephonic interview on December 19, 2003 with Applicants' undersigned representative. Applicants' representative requested clarification of the Advisory Action dated December 1, 2003, and specifically the inconsistency between Section 2 and Section 7. The box under Section 2 was checked indicating that the proposed amendment would not be entered, while the box under Section 7 was checked indicating that for the purposes of Appeal, the proposed amendment would be entered. The Examiner informed Applicants' representative that the wrong box under Section 7 was checked, and that the box indicating that for the purposes of Appeal, the proposed amendment would not be entered should have been checked. The Examiner indicated that a supplemental Advisory Action would be issued to correct the error.
